

Consortium Agency Questionnaire

Directions: Please answer the following questions if the legal applicant is applying as a law enforcement consortium. A consortium is a group of two or more Federally Recognized Tribes that agree to form a partnership to provide law enforcement services to their constituent tribal communities. Attach additional pages, if needed.

- 1) Do you have a formal Memorandum of Understanding (MOU) between all of the constituent Tribal governments? ☐ Yes ☐ No

If yes, please submit a copy of the MOU to the COPS Office.

If no, you must have a formal MOU in place to be considered for funding.

The MOU should describe the relationship between the agencies and outline conditions, contributions, and benefits each partner will contribute to or receive from the project. The MOU should also designate which agency will be the lead agency that is responsible for coordinating and supervising grant activities. This lead agency is considered the legal applicant on the TRGP Application Form.

- 2) Which agency is the lead agency within the consortium?
- 3) What is the law enforcement service population and land base for each partner agency?
- 4) Please provide a description of how each partner agency currently receives law enforcement services, and why these services fail to meet the needs of the service population.
